Poolside
Your complete guide to pools, spas & landscaping

This booklet is presented by *POOLSIDE & POOLSIDE SHOWCASE* magazines in partnership with industry peak body SPASA

2011 AWARDS OF EXCELLENCE

The gala was attended by all-time record numbers and is supported by leading industry players including Remco Australia, *POOLSIDE* magazine and *Outdoor Design and Living* magazine. Olympian and SPASA ambassador Nicole Livingstone continues to emcee our “night of nights”.

Pools and spas add significant social value to our communities and are an iconic feature of the Australian way of life, so never underestimate the value of a swimming pool. Your local SPASA member is the most valuable resource available when embarking on the purchase of a spa or pool.

There are many technical and legal issues to consider, including: contracts, permits, warranties, fencing, insurance, pumps, filters and chemicals. We recommend you always use an expert. The best way for consumers to ensure a stress-free purchase is to use a proven industry leader — a SPASA member. See the SPASA website for a complete listing of our members at www.spasavic.com.au

SPASA President, Gary Kilworth; Digby Roberts from Pool of the Year Winner, Goldfish Pools & Landscapes; and Carl Voshege from Remco Australia.

All members of the association are bound by a strict code of ethics and have specialist industry training and resources made available to ensure that the highest levels of professionalism are maintained.

Marvel at this collection of images and enjoy your new pool or spa.

Well done to all 2011 Awards of Excellence participants.

Brendan Watkins
CEO, SPASA

THE INDUSTRY PEAK BODY

Established in 1961, the Swimming Pool & Spa Association of Victoria is the peak body of the pool and spa industry.

Its mission is to represent both SPASA members and the broader swimming pool and spa industry to the general public, government and relevant statutory bodies. The association strives to enhance its profile as a means of promoting the significant health and social value of pool and spa use.

Our core goals are to ensure the viability of our members businesses and to promote the highest levels of professionalism, ethical behaviour and standards within the industry.

Both pool and spa owners, and members interests, are represented on many technical and government committees, including Standards Australia and the Victorian Building Commission.

Among many others, we liaise closely with the Planning & Water Ministers Offices, DSE, Lifesaving Victoria, Water Authorities, Builder Warranty & Liability insurers, WorkSafe, Kidsafe and the Department of Consumer Affairs – all of which shape legislation and establish standards of workplace practices, safety, energy and water use.

To maintain the highest standards within industry, SPASA conducts industry Training Programs, Trade Events and publish member OHS training and resource materials.

SPASA also promotes the important consumer-focused Water Neutral Pool program as well as a Pool Water Donation program.

The association promotes pool and spa use to consumers in several ways, including the annual;

- The Pool & Spa Book
- Pool & Spa Expo (MCEC)
- Spa & Pool Show (MCEC)
- Awards of Excellence program

SPASA MEMBERS THE INDUSTRY PROFESSIONALS

SPASA has a diverse membership – a member for all occasions. Whether you are looking for a new swimming pool or spa, to renovate or maintain your current pool, or to equip your pool with a fence, cover or water tank there is a SPASA member to assist you. SPASA members are at the forefront of the industry in regards to their experience, professionalism and reputation.

Bound by the Association's strict Code of Ethics, all SPASA members have demonstrated a history of successful ethical trading and knowledge appropriate to their membership category. You should look for the SPASA member logo to ensure you are dealing with an industry professional – we've taken the hard work out of finding businesses that you can trust with your pool and spa needs.

SPASA Pool Builder Members are pool builders with appropriate experience, practitioner registration and insurances.

SPASA Pool Builder Members are pool builders with appropriate experience, practitioner registration and insurances. Bound by the Association's Code of Ethics, SPASA Pool Builder Members also agree to perform all work in accordance with Australian Standards, and to meet all legal requirements.

As part of the application process, SPASA Pool Builder Members are vetted throughout the industry as to reputation and professionalism. They are also required to demonstrate exemplary trade and consumer references.

Only SPASA Pool Builder Members can issue you with a SPASA Contract – the essential contract of the well informed consumer. SPASA Pool Builder Members also have access to the latest technical training, educational programmes and industry specific information to ensure their staff perform with technical excellence.
